|          | <b>CERTIFICATE</b>   | ii          |
|          | <b>ACKNOWLEDGEMENT</b>   | iii -iv     |
|          | <b>CONTENT</b>   | v-vii       |
|          | <b>LIST OF TABLES</b>  | viii-ix     |
|          | <b>LIST OF FIGURES</b>   | x           |
| <b>I</b> | <b>INTRODUCTION</b>  | <b>1-20</b> |
|          | A) CO-CURRICULAR ACTIVITIES IN GENERAL   | 1           |
|          | Education-Definition, meaning  | 1           |
|          | Curriculum-Definition, meaning   | 2           |
|          | Co-curricular Activities Definition, meaning   | 3           |
|          | Importance of Co-curricular Activities   | 3           |
|          | Objectives of Co-curricular Activities   | 4           |
|          | Values of Co-curricular Activities   | 5           |
|          | Historical perspective of Co-curricular Activities                                   | 5           |
|          | Recommendations of various committees and commissions about Co-curricular Activities | 6           |
|          | Categories of Co-curricular Activities   | 8           |
|          | B) CO-CURRICULAR ACTIVITIES WITH REFERENCES TO LANGUAGES                             | 11          |
|          | Language, Definition   | 11          |
|          | Importance of Languages  | 12          |
|          | Objectives of language teaching  | 12          |
|          | Co-curricular activities for language development                                    | 14          |

|            |  |              |
|------------|--|--------------|
|            | <b>C) ABOUT THE STUDY</b>                        | <b>15</b>    |
|            | Statement of the problem                         | 15           |
|            | Definition of the terms                          | 15           |
|            | Purpose of the study                             | 16           |
|            | Objectives of the study                          | 17           |
|            | Delimitations of the study                       | 18           |
|            | Scope of the study                               | 18           |
|            | Significance of the study                        | 19           |
|            | About the Dissertation                           | 19           |
| <b>II</b>  | <b>REVIEW OF RELATED LITERATURE AND RESEARCH</b> | <b>21-38</b> |
|            | Introduction                                     | 21           |
|            | Review of Related Literature                     | 22           |
|            | Review of Related Researches                     | 24           |
|            | Researches Undertaken in India                   | 24           |
|            | Researches Undertaken in Abroad                  | 33           |
| <b>III</b> | <b>PLAN AND PROCEDURE</b>                        | <b>39-50</b> |
|            | Introduction                                     | 39           |
|            | Definition of Research                           | 39           |
|            | Methods of Research                              | 40           |
|            | Descriptive Research                             | 41           |
|            | Survey Method                                    | 42           |
|            | Research Design                                  | 43           |
|            | Sampling Design & Sample                         | 44           |
|            | Research Tools                                   | 47           |
|            | Data Collection Procedure                        | 50           |
|            | Data Analysis Procedure                          | 50           |

|           |   |                |
|-----------|---|----------------|
| <b>IV</b> | <b>ANALYSIS AND INTERPRETATION OF DATA</b>  | <b>51-105</b>  |
|           | Analysis And Interpretation Of Data         | <b>51</b>      |
|           | Results                                     | <b>101</b>     |
| <b>V</b>  | <b>SUMMARY AND CONCLUSIONS</b>              | <b>106-122</b> |
|           | Introduction                                | <b>106</b>     |
|           | <b>ABOUT THE STUDY</b>                      | <b>107</b>     |
|           | Statement of the problem                    | <b>107</b>     |
|           | Definition of the terms                     | <b>107</b>     |
|           | Purpose of the study                        | <b>109</b>     |
|           | Objectives of the study                     | <b>110</b>     |
|           | Delimitations of the study                  | <b>110</b>     |
|           | Scope of the study                          | <b>111</b>     |
|           | Significance of the study                   | <b>111</b>     |
|           | <b>PLAN AND PROCEDURE</b>                   | <b>112</b>     |
|           | Research design                             | <b>112</b>     |
|           | Sample design                               | <b>112</b>     |
|           | Data gathering tools                        | <b>112</b>     |
|           | Procedure of data collection                | <b>112</b>     |
|           | Analysis and interpretation of data         | <b>113</b>     |
|           | <b>CONCLUSION AND DISCUSSIONS</b>           | <b>114</b>     |
|           | <b>RECOMMENDATIONS</b>                      | <b>119</b>     |
|           | <b>SUGGESTIONS FOR THE FURTHER RESEARCH</b> | <b>121</b>     |
|           | <b>REFERENCES</b>                           | <b>123-127</b> |
|           | <b>APPENDICES</b>                           | <b>128-158</b> |
