

ACKNOWLEDGEMENTS

At the very beginning I express my deep sense of gratitude to my guide Dr. C. M. Yeole. I feel myself most fortunate to have an opportunity to work under her guidance. It was her sustainable encouragement, invaluable and wise guidance. Without which this challenging work could not be materialised in the present form. Madam's role in this work will remain a source of enduring inspiration to me throughout my life.

I am thankful to Dr. G. S. Patil, Lecturer, Department of Education whose philosophical perspectives have changed my perception about Environmental research work. Her special insight in research has been a tremendous source of inspiration.

I am also thankful to Dr. M. S. Padmini, who helped me for entitle accuracy. I am also grateful to Dr. N. R. Sapre, Dr. P. S. Patankar, Dr. K. R. Kulkar, Dr. Ajit Yadav, Dr. R. B. Topkar and Smt. M. M. Uplane for their motivation.

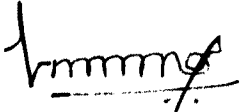

It would be a kind of sheer ingratitude if I forget to thank all the students from nine Highschools from Shirol taluka and all the Head Masters and English teachers who have painstaking contributed towards the completion of this study resulting in this dissertation.

I am thankful to the Principal and all the staff members of the Smt. Maharani Tarabai Government College of Education, Kolhapur for their co-operation. I am also thankful to Mr. S. I. Shaikh for his

neat typing. I write to extend my sincere thanks to the Shivaji University authorities for providing me this precious opportunity for devoting my potentials contributing to my professional development culminating in the research study.
