

### List of Tables

| Sr.<br>No. | Title   | Page No. |
|------------|---|----------|
| 1.         | Sampling for selection of colleges  | 2        |
| 2.         | Sampling of Teachers/Lab<br>Assistant/Librarian/Students  | 13       |
| 3.         | Sampling for selection of colleges  | 58       |
| 4.         | Sampling of Teachers/Lab<br>Assistant/Librarian/Students  | 59       |
| 5.         | Components of Environment Education Introduced<br>at B.Ed.Course  | 63       |
| 6.         | Component of Environment Education introduced<br>at first year B.E. Course (it is same for all branches<br>of Engineering)    | 66       |
| 7.         | Component of Environment Education introduced<br>at Second year of B.E. (Civil/Environmental<br>Engineering)                  | 68       |
| 8.         | Components of Environment Education Introduced<br>3 <sup>rd</sup> year of at B.E. Course (Civil/Environmental<br>Engineering) | 70       |
| 9.         | Component of Environment Education Introduced<br>at Final (4 <sup>th</sup> ) Year of B.E. Civil Engineering                   | 72       |

## VIII

|     |  |     |
|-----|--|-----|
| 10. | Component of Environment Education introduced at 4 <sup>th</sup> yr. B.E. course Environmental Engineering                   | 76  |
| 11. | Component of Environment Education introduced at 3 <sup>rd</sup> & 4 <sup>th</sup> year B.E. course Mechanical Engineering . | 81  |
| 12. | Components of Environment Education Introduced at LL.B. course :   | 83  |
| 13. | Components of Environment Education Introduced at M.B.B.S. Course  | 85  |
| 14. | Teaching Methods Used For Teaching EE.   | 89  |
| 15. | Use Of Different Teaching Methods Integrated Together For Teaching EE  | 91  |
| 16. | Types of Integration Used For Teaching EE  | 92  |
| 17. | The Teaching Methods That Teacher Feel Most Appropriate For Teaching EE  | 96  |
| 18. | Use Of Any Special Innovative Strategy For Teaching EE   | 99  |
| 19. | Opinion On Teaching Strategies Used For Teaching EE  | 100 |
| 20. | Taking Help Of Colleagues For Teaching EE  | 103 |
| 21. | Purpose Of Taking The Help Of Colleagues   | 104 |
| 22. | Any other course related to EE   | 106 |

|     |  |     |
|-----|--|-----|
| 23. | No. of Teachers who have studied EE at Degree/P.G. Level                             | 108 |
| 24. | Teachers' Training about EE  | 110 |
| 25. | Details about Training of Teachers Related to EE                                     | 111 |
| 26. | Any Separate Course Related To EE Completed by Teachers                              | 113 |
| 27. | Resourceful Environment Teacher : opinion about self                                 | 114 |
| 28. | Justification of being a resourceful EE teacher                                      | 115 |
| 29. | A separate Environmental Lab of EE   | 118 |
| 30. | Equipments related to EE and their quality   | 119 |
| 31. | The Difficulties Faced By Lab Assistants While Maintaining The EE Related Equipments | 121 |
| 32. | Information Related To EE Books Available in Library                                 | 122 |
| 33. | Journals related to EE Available in Library  | 123 |
| 34. | Association of College with Environment Related NGO                                  | 125 |
| 35. | NGOs With Which college is Associated  | 127 |
| 36. | Programmes Organized In Collaboration With   | 128 |

|     |   |     |
|-----|---|-----|
|     | NGO   |     |
| 37. | Colleges Associated With Any Other EE Related Institute   | 129 |
| 38. | EE Related Institutes With Which Colleges Are Associated.   | 130 |
| 39. | Programmes organized in Collaboration with the Environment Related Institutes                             | 131 |
| 40. | The Ways Other Institutes Help In Imparting EE  | 132 |
| 41. | Providing Help To Other Institutes In Imparting EE  | 133 |
| 42. | Organization Of Lectures Or Guidance Of Resource Persons From Other Institutes For Teaching Of EE         | 134 |
| 43. | Resource Persons Invited From The Other   | 136 |
| 44. | How Students Are Benefited From Environment Related NGOs And Institutes                                   | 137 |
| 45. | Problems Faced While Organizing Environment Related Programmes  | 139 |
| 46. | Opinion About The Environment Related Programmes Conducted In Collaboration With Other Institutes Or NGOs | 141 |
| 47. | Delivering Lecture As An Expert In EE   | 142 |

|     |   |     |
|-----|---|-----|
| 48. | Information About Work of Teachers as resource person.  | 144 |
| 49. | Exchange of Equipments/Materials required for EE  | 145 |
| 50. | The Materials Related To Environment Education Lend By other Colleges   | 147 |
| 51. | Visits of students for EE Purpose From Other Institutes   | 148 |
| 52. | The Institutes And Courses Which Visit To Professional Education Colleges For EE  | 149 |
| 53. | The Purpose of EE Visits  | 151 |
| 54. | Exchange of Material of EE From Other Institutes  | 152 |
| 55. | Exchange of EE Books  | 153 |
| 56. | Difficulties Faced While Using Different Teaching Strategies For Teaching EE Related Components   | 154 |
| 57. | Measures Adopted To Face The Difficulties   | 156 |
| 58. | Problems faced by Teachers while Teaching EE Related components<br>(If they had not studied environment component or no received any training.) | 158 |
| 59. | Sampling for selection of colleges  | 165 |
| 60. | Sampling of Teachers/Lab Assistant/Librarian/Students   | 166 |
