

ACKNOWLEDGEMENT

I welcome this opportunity to express my deepest sense of gratitude to Dr.V.R. Bhintade, Principal, Kasturbai College of Education, Solapur who graciously consented to be my guide and allowed me to have privilege of his warm, sympathetic inspiration, valuable advice and encouragement with kind treatment.

I am most fortunate for having the rare and personal guidance from Principal R.C. Kalse, Dr.Karandikar S. W., D.P.B.Dayanand College of Education, Solapur. I am also indebted to them for their valuable suggestions.

Dr. V. G. Bansuade, The Principal of D.A.V. College of Commerce, Solapur helped me various ways by providing me administrative help, without which this dissertation could not have been completed. I am grateful to him.

I am also indebted to the principals of the Education Colleges included in my study.

I also thank all the students of Education Colleges who agreed to furnish necessary data and helped me in undertaking this study.

I also thank all the teacher educators of education colleges who frankly expressed their opinions in the interview and helped me in this study.
