

ACKNOWLEDGEMENT

I would like to express my deep sense of gratitude to Dr. K. D. Gaikwad. Under whose able guidance I completed this dissertation. I feel I was lucky and fortunate to work under him.

I am thankful to the Principal, S. P. Sangle, Rukadi College of Education, Rukadi for his help to conduct the experiment in his college and making all the resources available for the successful conduct and completion of the experiment.

I am very grateful to Mr. Pramod Kallappa Lambe, Lecturer, Chh. Shivaji College of Education, Rukadi for his help from time to time.

The experiment was conducted in D. K. Shinde College of Education, Gadhinglaj. I would like to record my hearty gratitude to the Principal, Dr. M. R. Nimbalkar for his permission to conduct the experiment.

It would be a kind sheer of ingratitude if I forget to thank my painstaking student teachers from Rukadi College of Education Rukadi and D. K. Shinde College of Education Gadhinglaj.

I am thankful to my father Mr. Y. I. Patel for his concrete and valuable guidance and suggestions. I am thankful to my husband Mr. Salim

M. Mujawar for his constant help and encouragement. It was truly impossible for me to complete this research without them.

I am also thankful to my colleagues Mr. S. M. Raykar, Mr. U. R. Kadam and Miss. V. S. Padsali for their help from time to time.

I am thankful to Librarian, Shri. Godse S. R. and attendant Shri Babar from Azad College of Education, Satara for giving quick response for giving reference books.

Lastly, the investigator is thankful to Mr. Pravin Hindurao Wadkar, OM Computers, Main Road, Kasaba Bavada, Kolhapur for typing and cyclostyling material during experiment.
