

LIST OF FIGURES

FIGURE	TITLE	PAGE
3.1	Sources of invalidity for designs 1 through 3	44
3.2	Post test only control group design	46
4.1	Groupwise Mean Teaching Performance of the Student Teachers before the use of Model	84
4.2	Comparison of groups E and C after implementation of SET I	88
4.3	Comparison of achievement in groups E and C after implementation of SRM (SET II)	92
4.4	Comparison of achievement in groups E and C after implementation of SRM (SET III)	96
4.5	Comparison of achievement in groups E and C after implementation of SRM (SET IV)	100
4.6	Comparison of achievement in groups E and C after implementation of SRM (SET V)	104
4.7	Comparison of M and F student teachers in group E after implementation of SET I	108

4.8	Comparison of M and F student teachers in group E after implementation of SET II	112
4.9	Comparison of M and F student teachers in group E after implementation of SET III	116
4.10	Comparison of M and F student teachers in group E after implementation of SET IV	120
4.11	Comparison of M and F student teachers in group E after implementation of SET V	124
