

### ACKNOWLEDGEMENTS

It gives me great pleasure to express my sense of gratitude and sincere thanks to Dr.B.A.Vagyani, M.Sc.,Ph.D. Reader in Botany Department, Shivaji University, Kolhapur for suggesting me this problem and for his valuable help and sustained guidance throughout the work. It would not have been possible to complete the work without his guidance and help.

I am dutifully thankful to Shri R.D.Rade, Principal, Kanya Mahavidyalaya, Islampur for his encouragement and continuous support for completion of the work.

My heartiest thanks are also due to my parents, brothers Vijay andRaju and sister's in law for their kind co-operation and constant encouragement during the period of this research work.

My sincere thanks are due to Dr.Prof. M.S.Patil, Head of the Botany Department for the encouragement and facilities for the research. Thanks are due to Shri Aher, R.T., Miss Shinde,J.R., Miss Badigar,U.Y. for helpful suggestions and my colleagues in the research division of Palaeobotany.

(ii)

I am also thankful to Shri D.T.Patil, Head of the Botany Department, Kanya Mahavidyalaya, Islampur for his kind consideration to complete the work.

I am also thankful to Vijay and Arun Mahindrakar of Padma Studio, Kolhapur for their help in Photography. Similarly I am also thankful to Artist M.R.Deshmukh for help in colour photography. Finally I express my sincere thanks to Mr. P.R. Chougule for neat and speedy typing of the dissertation.

Botany Department,  
Shivaji University,  
Kolhapur-416 004.

June , 1995.
