

ACKNOWLEDGEMENT

A C K N O W L E D G E M E N T

It gives me a great pleasure in expressing my deep sense of gratitude to my research guide Dr. (Mrs.) S.S. Chitnavis whose able guidance and constant encouragement enabled me to finalise this piece of work. The inspiration and fruitful suggestions by her contribute a lot in my research work. It is my privilege that I have the opportunity of working under her guidance.

It is my duty to offer my sincere thanks to Prof. M.S. Patil Head, Department of Botany Shivaji University, Kolhapur for offering all kind of help and laboratory facilities.

I deem it is my pleasant duty to offer my warmest regards to the Principal, Willingdon College, Sangli, Teaching and Non-teaching staff and my Colleagues.

I express my sincere thanks to Mr. Raste, Librarian, Willingdon College Sangli for his kind permission to keep air sampler in library.

My sincere and hearty thanks to Dr. S.T. Tilak, Pune and Dr. B.N. Pande, Aurangabad for their valuable suggestions.

I am indebted to all staff members of the Botany and Zoology department, Willingdon College Sangli and Botany department, Shivaji University, Kolhapur for their kind co-operation and valuable suggestions.

I must mention the affection of my parents and family members for their moral support for completing this work.

I owe a special word of thanks to Shri Suhas Khambe for neat computer processing of the dissertation and also to Mr. Nitin Desai for his help in photographic work and graphical presentation.

Finally I express my deep sense of gratitude to all my well wishers.
