

ACKNOWLEDGEMENT

It gives me a great pleasure in expressing my deep sense of gratitude towards my Research Guide Dr. C. S. Shalgaonkar, Department of Electronics, Shivaji University, Kolhapur. It was really a pleasure and privilege for me to work under his invaluable guidance. It was his inspiration and encouragement which brought this piece of work into a reality.

At this moment of completion I would like to express my deep sense of gratitude towards Shri A. B. Kadam, Lecturer, Department of Electronics, Shivaji University, Kolhapur for their valuable guidance, suggestions, constant encouragement and keep interest in my work. I must admit that the words are for less than my deep feelings.

It is my pleasant duty to record my sincere thanks to Dr. A. S. Vaingankar, Professor and Director of BCUD, Shivaji University, Kolhapur for keen interest he showed and for his valuable suggestions.

I offer my sincere thanks to Prof. S. R. Sawant, Head of the Department of Electronics, Shivaji University, Kolhapur for valuable suggestions and encouragement.

I offer my sincere thanks to Prin. R. G. Patil, A. A. College, Manchar for encouragement and providing me the laboratory facilities. I am also thankful to my all colleagues and non teaching staff of the Electronics Department, A. A. College, Manchar.

I am deeply indebted to the authorities of Rayat Shikshan Sanstha, Satara and Principal B. L. Shinde for giving me this opportunity to undertake the research work.

I am most deeply grateful to the members of my family, parents and betterhalf who rendered a sense of moral support.

I express my appreciations to Mr. Sikandar Shaikh for excellent type of the present dissertation work.

Place : Kolhapur

Date : 27 June, 2003
