

ACKNOWLEDGEMENT

It is with great pleasure I express my sincere thanks to all my well wishers who have directly or indirectly helped me in completing this dissertation.

My foremost acknowledgement goes to Prof. Dr. A. S. Vaingankar (Head of department, Electronics), I consider myself fortunate to get an opportunity to work under his Guidance without which this would not have been possible and I sincerely thank him.

I also express my thanks to all the teachers of the Electronics Department for giving me helpful suggestions.

I take this opportunity to express my thanks to Mr. Stevan Chen in U.S.A. where I had an opportunity to work for his valuable suggestions and discussion in completing the task.

Ms. Neetu S. Raorane
