

ACKNOWLEDGEMENTS

At the outset I would like to express my profound gratitude to my supervisor, Dr. S.V. Shastri for his encouragement and valuable guidance he gave me at every stage of this dissertation. Along with his guidance and insightful suggestions he also helped me to make many of the necessary reference materials available.

My thanks are due to Dr. S.K. Desai, the Head of the Department of English, Shivaji University, Kolhapur for his inspiration and sympathetic consideration. I am thankful to Prin. (Offi) V.B. Kodag, Night College of Arts and Commerce, Sangli, for the kind co-operation I received.

I am indebted to my elder brother-in-law Shri R.B. Walwadkar (M.Litt. Hyd.) for his generous and timely advice.

I have always been encouraged by my parents, in-laws and friends. I am sincerely grateful to them.

My special thanks are to my brothers Deepak and Ravi who tried to ease out my tensions with their timely help of every kind.

I express my deep gratitude to my husband,
Dr. B.B. Walwadkar, not only for his constant inspiration
but also for the patience and forbearance during the long
period of my M.Phil. Course.

I must acknowledge here the responsibility shared
by Maushi and Vahini, in looking after the family and
managing with the kid-Pallavi.

Kolhapur,

November, 1987.
