

ACKNOWLEDGEMENTS

I am deeply indebted to my research guide, Dr. S.V. Shastri, Professor and Head, Department of English, Shivaji University, Kolhapur, who has initiated me to work in this field. His constant encouragement and patience enabled me to carry out this study. I must admit that this study would never have been completed, but for him.

I am also indebted to all the members of the University Computer Centre, who helped me to prepare systematically the word list appended to this study. They have also helped me to calculate all important statistics pertaining to my study.

I am also thankful to Mr. N.H. Patil and Mr. A.K. Isarna of Jaysingpur College, who provided me with important books from their library.

I am thankful to Mr. S.R. Koli who has helped me in extracting word frequencies from the Dictionary with the help of dbase. I am also thankful to Mr. A.A. Karande who has helped me in proof reading.

I am grateful to Mr. S.R. Patil, Principal of Dr. Babasaheb Ambedkar College, Peth Vadgaon for his support and encouragement.

I am grateful to all the members of my family for their support and patience.

I am very much thankful to Mr. F.D. Gawade for his efficient and timely typing work.

Finally, I must thank all the members of the English Department, Shivaji University, Kolhapur, especially Dr. (Mrs) L.R. Moktali for her useful discussion of many aspects of my work.
