

ACKNOWLEDGEMENTS

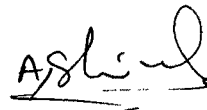

It gives me great pleasure to express my deep sense of gratitude to Dr. S.V. Shastri, Reader in English, Shivaji University, Kolhapur for his untiring and expert guidance and supervision. It is needless to say that but for his patience and forbearance a work of this kind would not have been successfully completed.

I am grateful to Dr. S.K. Desai, Professor and Head of the Department of English, Shivaji University, Kolhapur who encouraged and inspired me all the while.

I must record here with deep gratitude the affectionate help and inspiration that I received from Prin. S.A. Bhosale, Prof. V.M. Patherkar, Head of the Department of English, and my colleagues.

My grateful thanks are also due to my friends Prof. Shankarrao Jagdale, Balasaheb Nale and Dilip Bhapkar.

Lastly my thanks are due to many others whom it is not possible to name individually but who have helped me in bringing this work to a successful conclusion.
