

### ACKNOWLEDGEMENTS

I would like to express my deep sense of gratitude and appreciation for the invaluable guidance I received from Dr. S.V. Shastri, Professor and Head, Department of English, Shivaji University, Kolhapur in carrying out this work. His able and enlightening guidance and constant lively encouragement has made it possible for me to complete this work.

I would also like to thank Dr. S.K. Desai, the then Head of the Department of English and presently the Vice-Chancellor, Kuvempu University, Shimoga (Karnataka) for the encouragement he gave me during the year I was doing my theory work.

I shall be failing in my duty if I do not record my gratitude to Prof. N.K. Nihalani of Marathawada University, Aurangabad, with whom I had the opportunity of discussing a number of problems connected with this experiment.

I would like to place on record my gratitude for the kind cooperation and help given to me by the Principal, Dr. Krantikumar Patil, Kamala College in allowing me to

conduct the cloze tests in his college for the undergraduate group. I am also grateful to Dr. S.V. Shastri, for allowing me to conduct the cloze tests in the postgraduate classes in the Department of English in Shivaji University, Kolhapur.

I would also like to express my sincere thanks to Ms. Sumati Salunkhe, Lecturer in English, Kamala College, for her kind and constant help in the preparation and administration of the test.

I am thankful to Shri S.S. Shende, Lecturer in Statistics, Jaihind College, Dhule, for helping me in calculating the statistics. However, I must admit that errors, if any, are entirely mine.

Last but not least, I am grateful to my parents for their interest and help and cooperation throughout this work.
