

## ACKNOWLEDGEMENT

Having completed this thesis for M.Phil. degree, my heart is filled with gratitude for all ~~visionaries~~, teachers, friends and well-wishers who have helped me <sup>to</sup> complete this marathon task successfully.

First of all I would like to express my thanks and gratitude to my teacher-Guide, Dr. N.A. Rajmane, M.Sc., Ph.D., Willingdon College, Sangli. His towering patience has seen me through all my difficulties and his able guidance has made this thesis possible.

I thank Dr. B.A. Karadge, M.Sc., Ph.D. for his painstaking help and bringing this thesis to its final shape.

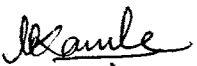

I was immensely helped by Dr. P.D. Chavan, M.Sc., Ph.D. and am obliged to him for his help.

Dr. <sup>H.</sup> S.K. Dhumal, M.Sc., Ph.D., Head of the Department of Botany of Arts, Science and Commerce College, Pravaranagar helped me in solving my difficulties and gave his invaluable guidance for my thesis.

I am grateful to Prof. V.P. Kulkarni, M.A., Head of the Department of Marathi of H.P.T. College, Nasik and Dean of the Faculty, Executive Committee of University of Poona for helping me in all administrative and personal problems.

Lastly, the staff of Botany Department of Willingdon College, Sangli deserve my heartfelt thanks for the help rendered to me in all my practical research work.

Kolhapur  
December 1991

  
(M.M. Kamble)
