

A C K N O W L E D G E M E N T

It gives me great pleasure to express my deep sense of gratitude to Dr. B.A. Vagyani, Reader in Department of Botany, Shivaji University, Kolhapur for the valuable help and guidance throughout the work received during the course of this research. Without his encouragement and help, it would not have been possible for me to carry them out.

I am thankful to Prof. Dr. M.S. Patil, Head of the Botany Department, Shivaji University, Kolhapur, for providing me the laboratory facilities.

I express my sincere thanks to my Post-Graduate teachers who encouraged me during post-graduate education.

My heartiest thanks are also due to my parents and family members for their kind co-operation and constant encouragements during the period of this research work.

I am earnestly thankful to all my colleagues in Botany Department who have encouraged me during research work.

My earnest indebtedness is due to Dr. P.G. Pataskar, Dr. P.G. Deshmukh, Shri Y.T. Shinde, Shri R.T. Aher, Shri Sanjay Magdum, Miss Jyoti Shinde, Miss Anjali Mane, Miss T.V. Shinde, Shri R.L. Deokate who have encouraged me during my research work. They were help to me during various stages of this research work.
