

ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude to **Dr. K. C. Ramotra** who developed and nurtured an interest in me for research. I doubt whether this piece of work would have been completed without his encouragement and excellent guidance. It's a great privilege that I had the opportunity of doing this research work under his prudent guidance. I appreciate his very careful editing and learnt a lot from his method of working and dedication for the discipline, which will be a constant source of inspiration for me. The words are indeed inadequate to express my intrinsic gratitude towards him.

I will fail in my duties if I do not recall my warm feelings towards **my parents**, my elder sister **Shubhangi** for their support. My gratitude towards them having no bounds. My loving gratitude is towards my niece **Komal** and nephew **Abhishek** for their patience.

Last but not least I am thankful to all my **friends** and **well wishers**.
