

LIST OF PLATES

Plate No.	Caption	After Page
1	<i>S. grandiflora</i> seedlings (3-4 months old), growing in plot soil culture	12
2	Compound leaves of <i>S. grandiflora</i> showing their arrangement and leaflets in each leaf	12
3	<i>P. oleracea</i> luxuriantly growing in pot soil in the garden	14
4	<i>P. oleracea</i> leaves and flowers showing a nature of leaves and characteristics of corolla in the flowers	14
5	<i>K. pinnata</i> growing in pot soil in the garden	15
6	<i>K. pinnata</i> leaves exhibiting their characteristics	15
7	Polyacrylamide gel electrophoresis of peroxidase from i. <i>S. grandiflora</i> leaves ii. <i>P. oleracea</i> leaves iii. <i>K. pinnata</i> leaves	61
8	Polyacrylamide gel electrophoresis of peroxidases from <i>S. grandiflora</i> leaves	61
9	Polyacrylamide gel electrophoresis of peroxidases from <i>P. oleracea</i> leaves	61
10	Polyacrylamide gel electrophoresis of peroxidases from <i>K. pinnata</i> leaves	61
