

ACKNOWLEDGEMENT

I am hereby very glad to express my deep sense of gratitude and indebtedness towards my research guide Dr. S.B. Bhamburdekar, Department of Botany, Krishna Mahavidyalaya, Rethare BK. His Constant support, affection, encouragement, valuable suggestions and sincere constructive criticism helped me in presenting this scientific creativity. I shall remain deeply indebted to him throughout my life.

I express my deep sense of gratitude to Prof. (Dr.) P.D. Chavan, former Head of the Botany Department, Shivaji University, Kolhapur for his constant affectionate encouragement and inspiration throughout the research work.

I deem it my pleasant duty to offer my sincere thanks to Dr. B.B. Jamale, Principal Krishna Mahavidyalaya, Rethare BK. for providing all kinds of help throughout the research period.

I am deeply indebted to Prof. (Dr.) G. B. Dixit, Head of the Botany Department, Prof. (Dr.) B.A. Karadge, Dr. (Mrs.) A. B. Sabale, Dr. D. K. Gaikwad, Dr. (Mrs.) N.S. Chavan, Dr. (Mrs.) M.M. Dongre for their support and affectionate encouragement. I appreciate the help of my teachers Dr. S.P. Bartakke, Dr. C.B. Salunkhe and Dr. M.S. Bansode for valuable guidance, comments and suggestions.

I also express my deep sense of gratitude to Hon'ble Mr. Jayavantro Bhosale, Dr. Suresh Bhosale (President) and Mr. Shivajirao Mohite (Vice-President) from Shetakari Shikshan Prasarak Mandal, Rethare (BK.), for providing all necessary facilities from the institute.

I sincerely acknowledge to Director, (ICRISAT); Librarian, Dr. B.S. Konkan Krishi Vidyapeeth, Dapoli; Librarian, Mahatma Phule Agriculture College, Kolhapur; Mrs, Archana Singh, Vdal Pratap Autonomous College, Varanasi, and Shivprasad Nirale, Sheti Seva Kendra, Islampur who helped me a lot by providing necessary literature, Valuable information, material and critical suggestions on the work undertaken.

I am very much thankful to Principal, Dr. J. K. Patil, Karmveer Bhaurao Patil, college, Urun-Islampur, Mr. P.V. Gaikwad, Head of the Botany

Department, Mr. Nangare-Patil, Mr. Adake, Mr. Dhole from the same college, who facilitated the research atmosphere with all appropriate facilities and providing consistent stimulus for completion of this task.

I am grateful to my colleagues, Miss. Shinde, Mr. Pawar, Mr. Naik, Mr. Patil, Mrs. Jamadar, Mrs. Patil for continuous support and interest during this work. I extend my sincere thanks to Miss. Nikam, Mr. Desai, Mr. Mahamuni, and Mr. Sonar for encouragement and valuable help during the work.

I acknowledge Mr. Kanse, Mr. Mulla and Mr. Pardesi for providing technical assistance in our laboratory. I wish to acknowledge help received from Biotechnology laboratory, K. B. P. College Urun- Islampur.

My Warm feelings towards my family members especially my Aai and Papa for providing me the most favorable environment for my education, continuous inspiration, encouragement and blessing. My gratitude towards them has no bound. I express my heavy debt of gratitude towards my elder brothers, Mr. Vivek and Mr. Suresh for their affectionate encouragement, inspiration and moral support during work.

My Sincere thanks to Mr. Prasad Nalawade, Mr. Suhas Pawar, Mr. Shaktikumar Desai and Mr. Aslam Mulla for accurate, neat typing and photography in time.

I wishes to express my deepest appreciation to all my wishers and to the many peoples who have contributed in one way or the other in the completion of this work.

I apologize if I have missed any one who helped me during the work.

S. H. Jadhav.
