It is a nostalgic trip down the memory lane. I poignantly reminisce the enchanting and golden moments I experienced during my stay in this hallowed precinct of higher learning. It is my solemn duty to express my deep sense of gratitude to all those who unflinchingly extended to me a helping hand during this work.

I have paramount pleasure and honour to be indebted to my guide Prof. (Dr.) M. S. Patil, a man far more greater than the mundane words can signify the propriety, for his able guidance, encouragement and sympathy. It was my good fortune to have the privilege to work under the guidance of dedicated, magnanimous and indefatigable man like him.
