

LIST OF FIGURES

Figure No.	Title	Page No.
1.	Alleopathic Effect of <i>Celosia argentea</i> L. leachates on seedling growth of <i>Vigna radiata</i> (L.) R. wilczek.	23
2.	Alleopathic Effect of <i>Celosia argentea</i> L. leachates on seedling growth of <i>Pennisetum typhoides</i> Burm.	23
3.	a) Allelopathic Effect of <i>Celosia argentea</i> L. Inflorescence Leachates on carbohydrate Content in <i>Vigna radiata</i> (L.) R. wilczek.	25
	b) Allelopathic Effect of <i>Celosia argentea</i> L. Leaf leachates on carbohydrate Content in <i>Vigna radiata</i> (L.) R. wilczek.	26
	c) Allelopathic Effect of <i>Celosia argentea</i> L. Root Leachates. on carbohydrate Content in <i>Vigna radiata</i> (L.) R. wilczek.	27
4.	a) Allelopathic Effect of <i>Celosia argentea</i> L. Inflorescence Leachates on carbohydrate Content in <i>Pennisetum typhoides</i> Burm	28
	b) Allelopathic Effect of <i>Celosia argentea</i> L. Leaf Leachates on carbohydrate Content in <i>Pennisetum typhoides</i> Burm	28
	c) Allelopathic Effect of <i>Celosia argentea</i> L. Root Leachates on carbohydrate Content in <i>Pennisetum typhoides</i> Burm	29
5.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on Total soluble protein in <i>Vigna radiata</i> (L.) R. wilczek.	31
6.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on Total soluble protein in <i>Pennisetum typhoides</i> Burm .	31
7.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on Total polyphenol content in <i>Vigna radiata</i> (L.) R.	33

	wilczek.	
8.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on Total polyphenol content in <i>Pennisetum typhoides</i> Burm	33
9.	Allelopathic Effect of <i>Celosia argentea</i> . L leachates on the activity of acid phosphatase in <i>Vigna radiata</i> (L.) R. wilczek.	35
10.	Allelopathic Effect of <i>Celosia argentea</i> . L leachates on the activity of acid phosphatase in <i>Pennisetum typhoides</i> Burm.	35
11.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Nitrate reductase <i>Vigna radiata</i> (L.) R. wilczek.	37
12	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Nitrate reductase <i>Pennisetum typhoides</i> Burm..	37
13.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of . Peroxidase in <i>Vigna radiata</i> (L.) R. wilczek .	39
14.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Peroxidase in <i>Pennisetum typhoides</i> Burm.	39
15.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of . Catalase in <i>Vigna radiata</i> (L.) R. wilczek	41
16.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Catalase in <i>Pennisetum typhoides</i> Burm	41
17.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Protease in <i>Vigna radiata</i> (L.) R. wilczek	43
18.	Allelopathic Effect of <i>Celosia argentea</i> L leachates on the activity of Protease in <i>Pennisetum typhoides</i> Burm	43
19.	Allelopathic Effect of <i>Celosia argentea</i> L. Inflorescence leachates on Photosynthetic Pigments in <i>Vigna radiata</i> (L.) R. wilczek .	50
20.	Allelopathic Effect of <i>Celosia argentea</i> L. leaf leachates on Photosynthetic Pigments in <i>Vigna radiata</i> (L.) R. wilczek ..	51

21.	Allelopathic Effect of <i>Celosia argentea</i> L . Root leachates on Photosynthetic Pigments in <i>Vigna radiata</i> (L.) R. wilczek .	52
22.	Allelopathic Effect of <i>Celosia argentea</i> L. Inflorescence leachates on Photosynthetic Pigments in <i>Pennisetum typhoides</i> Burm	54
23.	Allelopathic Effect of <i>Celosia argentea</i> L. Leaf leachates on Photosynthetic Pigments <i>Pennisetum typhoides</i> Burm	55
24.	Allelopathic Effect of <i>Celosia argentea</i> L. Root leachates on Photosynthetic Pigments in <i>Pennisetum typhoides</i> Burm	56
25.	Allelopathic Effect of <i>Celosia argentea</i> L. Leachates on the activity of acid phosphatase in <i>Vigna radiata</i> (L.) R. wilczek .	58
26.	Allelopathic Effect of <i>Celosia argentea</i> L. Leachates on the activity of acid phosphatase in <i>Pennisetum typhoides</i> Burm	58
27.	Allelopathic Effect of <i>Celosia argentea</i> L. Leachates on the activity of Nitrate reductase in <i>Vigna radiata</i> (L.) R. wilczek .	60
28.	Allelopathic Effect of <i>Celosia argentea</i> L Leachates on the activity of Peroxidase in <i>Pennisetum typhoides</i> Burm.	61
