Ichalkaranji,  
30th January, 1932.

My dear Rao Bahadur, Surve,

With reference to the correspondence ending in your D.O. letter No.116 dated August 2nd, 1931, I am to say that I have received a letter from Dr.Velte, the Secretary of the India Council of the Presbyterian Mission of America informing me that although the formal sanction of their Home Board was not received, yet, from the correspondance that was held between them, it may be taken that the necessary permission was given and I have been asked to go forward with the arrangements of full-time services of Mr.Goheen.

I am anxious to have the arrangement proposed by me regarding the administration of the Jahagir should be approved by the Kolhapur Darbar as early as possible so that I can proceed with the arrangements of the proposed over-sea trip to a bracing climate. I request however that in the arrangements that would be approved for carrying on the administration in my temporary absence, the administrator should not cease to be responsible to me also, because I do not wish to entirely lose touch with the administration of my Jahagir. As the Darbar

aware, I had taken long holidays twice before once ~~at~~ for about 11 months in 1913 and again for 7 months in 1919. On both these occasions, during my absence from home, I was in touch with the affairs of the administration and I wish to do the same on the present occasion. Although Mr. Goheen may be fully responsible in my absence for the administration to the Residency and the Kolhapur Darbar he should also be under my direction and guidance as on former occasions. Moreover, both on account of financial stringency and other considerations, I am afraid, it will ~~not~~ not be possible for me to be absent from Ichalkaranji very long. And during the periods, I shall be at Ichalkaranji or near about, I can continue my interest in matters of public welfare and utility in my Estate. I would, therefore, crave His Highness indulgence for permission to delegate my powers to Mr. Goheen as was done on the last two occasions in 1913 and 1919. I enclose herewith for ready reference copies of Darbar's orders passed on the previous two occasions and I shall feel obliged if you can kindly induce His Highness the Maharajasaheb to accord his permission by the use of a similar formula on the present occasion also.

Hoping to be kindly excused for the trouble.

Yours sincerely,

Sd/- xxx

Narayanrao Babasaheb Ghorpade.
