

ACKNOWLEDGMENT

It gives me a great pleasure to take this opportunity to thank my guide Dr. Pawar A.B. Reader of Botany, Department of Botany, Yashwantrao Chavan Institute of Science, Satara (M.S.) for suggesting this interesting problem to me and whose guidance, constant encouragement and efforts, without which this piece of work would not have been possible.

I would like to thank Dr. Bhoite A. S., Principal of Y.C.I.S Satara, Dr. Khandekar V. P. Head of Botany Department and all faculty members viz. Dr. Mahamulkar, S. H., Dr. Thoke. R.B., Dr. Jadhav D. N., Mr. Kadam D.A., Mr. Patil P.R., D. Mrs. Karande V.C., Mr. Dhage R.B., Dr. Karande, C.T., Mr. Shinde, Y.T. and Dr. Kore B.A. of Y.C.I.S. Satara. Lab Assistants and non teaching staff members for their continuing inspiration, co-operation during research work.

I extend my thanks to Dr. Patil N.N. and Dr. Bhat D.J. for their encouraging responses to my requests for the reprints of their publications. Special thanks to Dr. Kapandis for their personal communications, which have been invaluable to me in the presentation of this work.

Thanks are also to the Librarian of Y.C.I.S Satara and their staff members. The Librarians of Shivaji University, Kolhapur, Agharkar Research Institute, Pune, Hindustan Antibiotics Ltd., Pimpri, Pune and Pune University, Pune for their kind help in the completion of the work.

I am grateful to all my research colleagues Lata, Aruna, Archana, Ashwini, Shardha, Asmita, Tejaswini, Deepa, Parnali, Madhuri, Devyani, Sashikant, Pravin, Prashant, Damagi, for their co-operation and valuable suggestion, time to time.

Special thanks to Mr. Singre K.S. who helped me during excursion at Pateghar.

Last but not least, I must acknowledge my parents, Mama, Mami, Sister Kavita and all my family members.

I wish to thanks Dr. Aswajit Fulzele, Mr. Abhijit Sawant, Mr. Anil Shinde and Mr. Mangesh Mahadik for their encouragement and help.

Vishal
