The large petta of Shapore near the cantonment shall aid in the supply of coolies and bullocks that may be required for military purposes.

ARTICLE 6

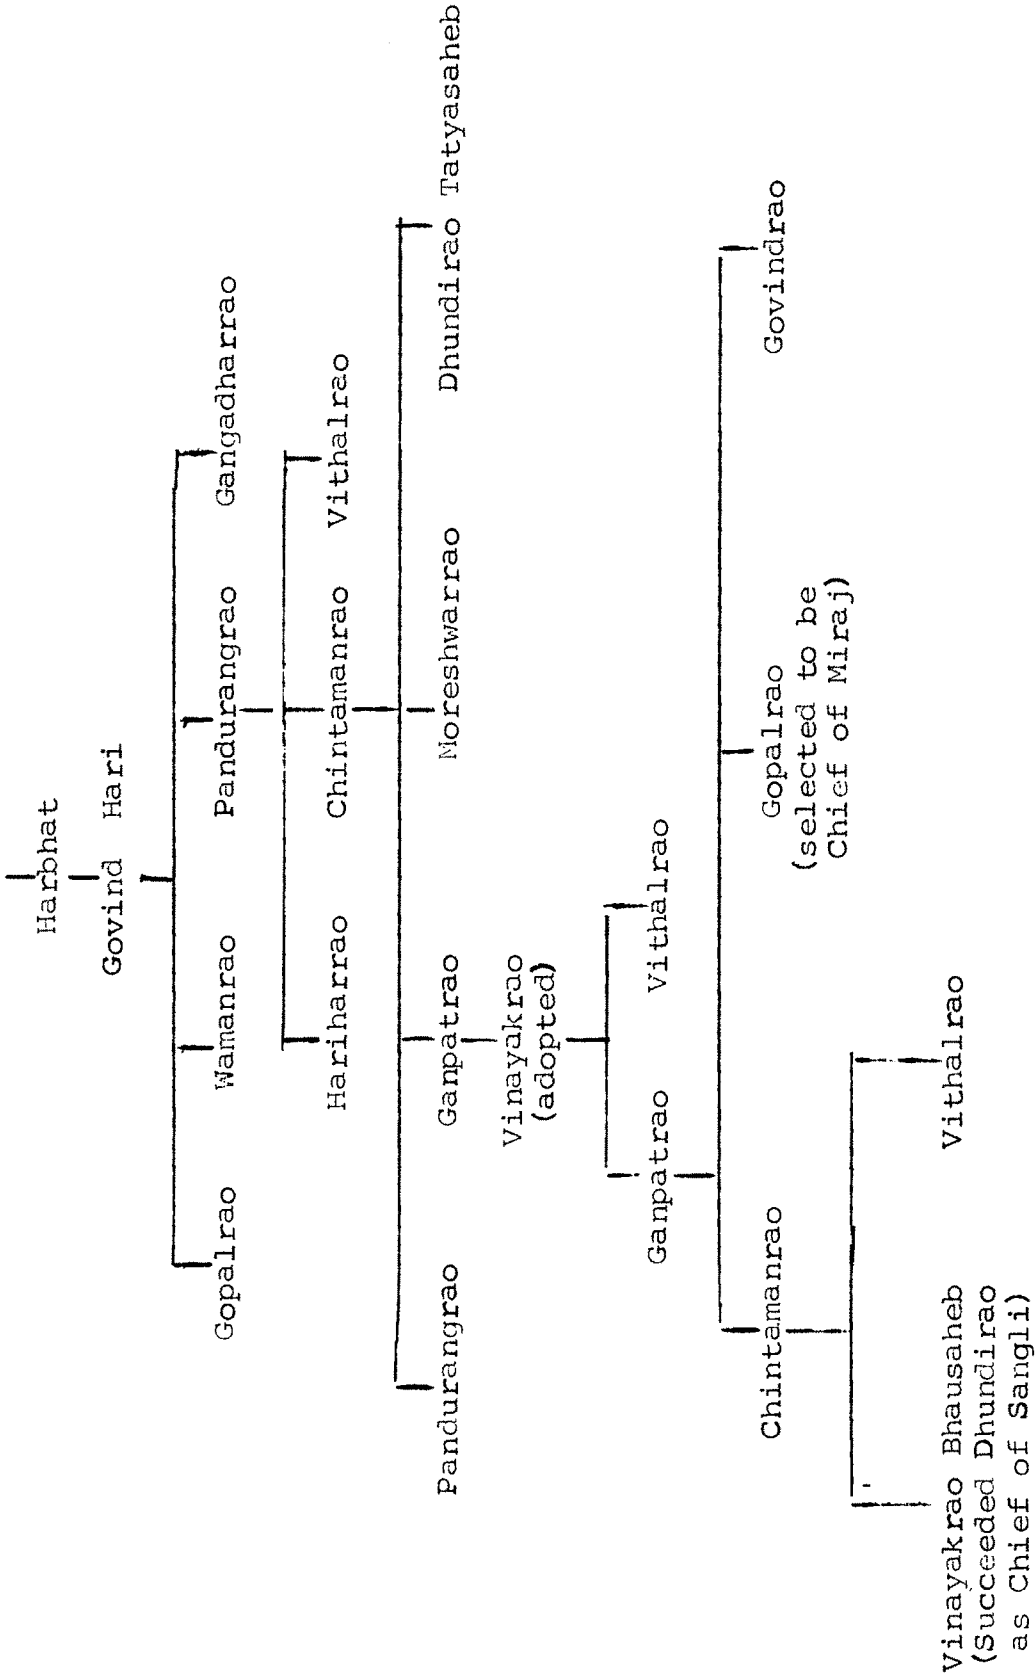

The Collector of Dharwar will deliver over all the lands held under attachment, which are to be relinquished on security being furnished for such other lands being given (by three instalments of one month each) as shall be found requisite to complete the necessary sum (Rupees 1,35,000), the deductions on account of police and Nemnook expenditure being included in the calculation.

ARTICLE 7

The revenues of the relinquished lands are entered according to the data furnished from the Collector's office at Dharwar; and the Vakeel having represented that the revenues may be found to be somewhat greater on examination, it is stipulated that, should such be the case, there will be a proportional deduction made in the lands remaining to be transferred to the Company in the Shapore Mehal.
