

ACKNOWLEDGEMENT

With a deep sense of gratitude, I express my sincere thanks to Dr. S.G. Sankpal, Department of Chemistry, Shivaji University, Kolhapur, for his constant encouragement and invaluable guidance.

I express my sincere thanks to Prof. D. S. Ambardekar, Head, Department of Chemistry, Shivaji University, for all kinds of assistance throughout this work.

I am also thankful to my brother Avinash Chiknis and my friends Vijay Majgaonkar and Sunil, Melvanki for their kind co-operation.

I am also indebted to my research colleagues and my family members for their timely help and tips throughout my work.

V.G. Chiknis.
