

## ACKNOWLEDGEMENT

*I am deeply indebted to DR. ASHOK K. GUPTA, Lecturer, Department of Chemistry, Shivaji University, Kolhapur, for his inspiring guidance, fruitful discussions, continuous interest and encouragement during the progress of this investigation.*

*I express my sincere thanks to Prof. N.B. PATIL, Head of the Department of Chemistry, Shivaji University, Kolhapur, for his interest and encouragement.*

*My heartfelt thanks are also due to Prof. R.B. MANE for his immense help during the present investigation and for critical reading of the dissertation.*

*I would like to avail this opportunity to record my deep sense of gratitude to DR. S. BOSE, D.Sc., former Professor of Sugar Chemistry, N.S.I. Kanpur, for his constructive criticism during the period of this research work.*

*I should like to express my sincere appreciation to DR. J.N. BEMILLER, Director, Whistler Centre for carbohydrate Research, Purdue University, U.S.A., for paper electrophoretic analysis of the polysaccharide and g.l.c.-m.s. analysis of the sugars. His generous assistance is gratefully acknowledged.*

*I am deeply thankful to my wife MRS. SUKHADA R. PADALKAR, daughter MRUNAL and sons RAHUL and GANESH for their continuous encouragement and patience throughout my research career.*

My sincere thanks are due to MR. R.K. SHINDE, Principal, Balwant College, Vita for his interest and encouragement. I am thankful to MR. PRAMOD P. KUMBHAR, MR. M.A. CHOUGULE, MR. U.K. BARASKAR and members of staff for their kind help during this work.

In conclusion, I may express my grateful thanks to the University Grants Commission, New Delhi, India, for the award of a teacher fellowship, and to Sachiv, Rayat Shikshan Sanstha, Satara, for granting leave during year 1989-1990, to enable me to undertake the present investigation..

KOLHAPUR  
May 31, 1991.

  
(RAVINDRA K. PADALKAR)
