

ACKNOWLEDGEMENTS

I express my deep sense of gratitude to Prof. Dr.H.V.KUMBHOJKAR for introducing me the theory of fuzzy sets and for his invaluable guidance and constant encouragement throughout the preparation of the work.

I am thankful to Dr. L.Radhakrishna, Professor and Head of Department of Mathematics, Shivaji University, Kolhapur for providing necessary departmental facilities.

I am extremely grateful to my husband Sri. V.A.Gat. Without his helpful nature and constant inspiration, it would not have been possible to prepare this work.

I am also thankful to Mr. Kumbhar for his prompt and neat typing.
