The dissertation entitled 'A STUDY OF FINITE FOURIER COSINE SINE TRANSFORM' is prepared by me under the inspiring guidance of Dr. M. S. Chaudhary Reader in the Department of Mathematics, Shivaji University, Kolhapur. I am very much fortunate to have got the opportunity to work under him. I express my deep sense of gratitude for the help and guidance that he rendered me throughout my work.

I wish to express my gratefulness to Dr. L. Radhakrishna, Professor and Head Department of Mathematics, Shivaji University, Kolhapur, Prof. R. S. Mane and Dr. C. S. Manjarekar for their constant encouragement during this work.

I am greatly indebted to my friends A. L. Jadhav, V. K. Sakhare and Dr. A. R. Pawar for useful suggestions and fruitful discussions which have been of great service to me.

I take this opportunity to thank Principal, Dr. A. A. Kadam Kisan Veer Mahavidyalaya Wai, Mr. Prataprao Bhosale (M.P.) President, Janata Shikshan Sanstha Wai, for granting me study leave for one year and thus giving an opportunity for higher studies.

It is my pleasant privilege to thank all the staff members in the Department of Mathematics, Shivaji University, Kolhapur.

Particular mentions in this regard are for the Psychological and Physical encouragement received from Dr. Smt. V. N. Acharya, Head Department of Nephrology (A.K.D.) K.E.M. Hospital, Bombay.

I am very much thankful to the Librarian, Jawaharlal Neharu Library, Bombay University, Bombay for providing me all necessary facilities.

I must also mention the co-operation that I received from my wife RANJANA throughout the period of my work. She had taken the mantel of the household on her shoulders, providing me the peace of mind that is required for taking up such mission.

I would like to place a praiseworthy thanks to my family members particularly my son SWAPNIL, daughters SWAPNAJA and BHAGYASHRI and my sister KAMAL, who inspired me for higher studies.

I am grateful to University Grants, Commission, New Delhi, for awarding me a Teacher Fellowship for one year of study.

I am tahnkful to all who have helped me directly or indirectly in my work.
