

ACKNOWLEDGEMENTS

I am extremely fortunate to have, as my guide, Dr. H.V. Kumbhojkar, Reader, in the Department of Mathematics, Shivaji University, Kolhapur, under whose keen supervision this dissertation has been prepared by me. I take great pride and pleasure to acknowledge here the constant generous and invaluable help, guidance and encouragement which he has given throughout my work. I shall ever remain grateful to him for this.

I am thankful to Dr. R.K. Saxena, Professor and Head, Department of Mathematics, Shivaji University, Kolhapur for providing necessary departmental facilities.

I am extremely grateful to the University Grants Commission, New Delhi for awarding me a Teacher Fellowship for one year.

I also thank the authorities of Shivaji University, Kolhapur for giving me the admission for M.Phil. Course.

I express my thanks to the Principal G.N. Aranke and the Management of S.R.D.S.P. Mandal who kindly permitted me to avail myself of a teacher fellowship.

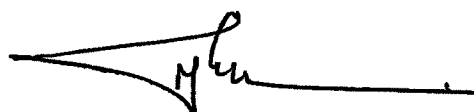

My thanks go to Shri P.D. Gumaste, Head of the Department of Chemistry, S.P.K. College, Savantwadi for his constant support.

My thanks are also due to my friends Shri S.P. Kute, Shri S.A. Nerpagar, Shri B.K. Tekale and Shri C.G. Patwardhan for their useful discussions during the period of M.Phil. Course.

I may be failing in my duty, if I do not put on record my deepest gratitude to my wife, Sou. Shubhada who tenderly looked after everybody at home to let me devotedly pursue the knowledge of Mathematics.

I particularly wish to thank Shri Gosavi A.G. whose patience and accuracy have minimized the difficulties in the typing of manuscript.

Shivaji University,  
Kolhapur-416 004.
