

## ACKNOWLEDGEMENT

This dissertation was completed under the guidance of Dr. G.G.Asgekar, Department of Mathematics, Shivaji University, Kolhapur. He acted as a devoted teacher and guided me throughout my dissertation work. I would like to use this small piece of acknowledgement to him.

I wish to use this opportunity to express my greatest sense of gratitude to Prof. L.Radhakrishna, Head, Department of Mathematics, Shivaji University, Kolhapur and all teaching and non-teaching staff members for their generous co-operation in completing my work.

My thanks are also due to the Principal, Mr. R.B.Mutkekar and the staff members of New Polytechnic, Kolhapur, for their co-operation.

I would like to express my affection and regards to my family members and friends for their encouragement in compliance of the successful completion of my M.Phil. work.

At the end I express my thanks to Mrs. Singh, for nice typing of my dissertation work.
