ACKNOWLEDGEMENT

This dissertation was undertaken and completed under the supervision of Dr. G.G.Asgekar, University Department of Mathematics, Shivaji University, Kolhapur, with his critical insight, patient guidance and keen interest. Dr. Asgekar was a great source of encouragement at every stage of my work. This formal acknowledgement is an inadequate expression of my gratitude to him.

I wish to express my deep sense of gratitude to Prof. L.Radhakrishna, Head, University Department of Mathematics, Shivaji University, Kolhapur, for his valuable advice and critical remarks.

For sparing their research repository, the author expresses his thanks to the members of the Department of Mathematics, Shivaji University, Kolhapur.

It is pleasure to record my deep sense of gratitude to the Principal M.R.Desai, Principal C.D.Joshi, Prof. Mrs. Nevagi, Prof. P.U.Kulkarni of Gopal Krishna Gokhale College, Kolhapur, in the completion of the dissertation.

The author's regards are due to Advocate Ram V.Mudgal, Engineer Manohar V.Mudgal for their incessant encouragement and keen interest in the completion of the thesis.

I must also thank Mrs. Singh for her careful,indefatigable

and conscientious typing of the dissertation and her hospitality

If by mistake I have failed to acknowledge where I should have done so, I hope those who are concerned will accept my apologies.

Department of Mathematics,
Shivaji University,
