

A C K N O W L E D G E M E N T

I am deeply indebted to my guide **Dr. G. H. Patil** for his able guidance , criticism and whole hearted encouragement at every step of the study.

I thank **Dr. L. Radhakrishna** , Prof. and Head, Department of Mathematics and all the teaching and non-teaching staff for providing an excellent academic environment at the Department.

My heartiest thanks to my **Parents, Family Members** and to my Husband **Mr. H. M. Jashnani** for their co-operation and constant inspiration during the period of dissertation.

I would like to express my affection and regards to my dear friend **Miss Surekha Patil** for her encouragement and for devoting her precious time for typing this thesis.

I wish to thank my friends **Gitanjali** and **Madhuri** for their generous co-operation.
