

## ACKNOWLEDGEMENT

With a deep sense of gratitude, I thank Dr. (Mrs.) Y.S. Pawar for her inspiring and ever supporting guidance in completion of this Dissertation.

My sincere thanks are due to Dr. H.V. Kumbhojkar, Professor and Head of the Mathematics Department, Shivaji University, Kolhapur for providing departmental facilities.

I would like to place a praiseworthy thanks to my parents and brothers, who inspired me for higher studies.

My thanks are due to Mr. P.V. Patil, Mrs. A.D. Bhosale and teaching staff of Mathematics Department, Shivaji University, Kolhapur, for their timely help and useful suggestions during the period of my work.

I am grateful to the Principal D. A. Patil, Vivekanand College, Kolhapur and my teachers and senior colleagues Mrs. V.B. Patil, S.G. Babanagar, S.P. Patankar, P.P. Gaikwad and Mrs. R.Y. Patil for encouraging and helping me constantly.

Last but not least special thanks should go to Mrs. Joshi and Mr. Shreekant for their prompt typing.

Place: Kolhapur,

Date: 9<sup>th</sup> June, 2000

  
**Miss. V.B. Pandharpure**
