

ACKNOWLEDGEMENT

My heartily and sincere thanks goes to honorable teacher and respectful guide Dr. L. N. Katkar, Shivaji University, Kolhapur for their valuable guidance and helpful suggestions in the preparation of M. Phil. dissertation entitled "***A STUDY OF SPACE-TIME GEOMETRY OF A METRIC IN EINSTEIN-CARTAN THEORY OF GRAVITATION***", without which it was impossible for me to complete the same in time to the satisfaction. I take this opportunity of acknowledging my sincere feeling for his valuable discussion and constant encouragement through out this research work.

Also I express my sincere thanks to Dr. Prof. M. S. Chaudhary, Head of Mathematics Department, Prof. Mrs. Y. S. Pawar, Dr. C. S. Manjarekar, Dr. Mrs. S. H. Thakar, Dr. S. R. Chaudhari, Mr. M. T. Gophane, Mr. K. D. Kucche and non-teaching staff of Department of Mathematics, Shivaji University, Kolhapur for their kind co. operation.

I am much thankful to Librarian of Barr. Balasaheb Khardekar Library, Shivaji University, Kolhapur for providing me the library facilities during the research work.

My dream of research work comes true only due to inspiration of my everloving parents Mr. Shivaji and Mrs. Mangal Chougule, who inspired me for higher studies.

I am also thankful to research collogues Miss. Poonam Mane, Mr. Santosh Desai, Mr. Sanket Tikare, and Mr. Tukaram Thange for their co. operation during this work.

Warm regards of the author are

to Mr. Vijay Jadhav and Mrs. Vatsala Jadhav (author's father in law and mother in law) for their support and keen interest in completion of my M. Phil.

to Mrs. Nishant Jadhav (author's husband) for his motivation and affectionate advice to undertake and complete the research work.

(Miss. Geetanjali S. Chougule)
