

ACKNOWLEDGMENT

It is a golden opportunity to express my deep sense of gratitude & indebtedness to my honorable guide Dr. Manjarekar C. S., reader in Mathematics, Shivaji University, Kolhapur for having given me entrance in the room of such an interesting knowledge. Also I thank him for his help & encouragement.

I also take a opportunity to express my gratitude and indebtedness to all loving teachers: to the head of the department Dr. Choudhary M. S., Dr. Mrs. Pawar Y. S., Dr. Katkar L. N. & all other staff members of Shivaji University.

One has pleasant life if he has a good society & family. I am very lucky person to have my loving parents Shri. R. R. Kulkarni and Mrs. Swati Kulkarni, brother Atul & bhabhi Sou. Deepa, Anagha and sister Sou. Vaishali & her husband Sachin, who helped me a lot. I also thank to my- mother- in-law Smt. Sunita, sister- in- law Mrs. Vijaymala, her husband Mr. Patil, Oınkar and Prajakta and brother- in- law Satish who gave me a chance to study further.

My life has made very cheerful by a very loving & special person my hubby, Nitin, who shares every moment of life & has proved himself a perfect husband. I salute his holy love. He always encourages me & also helps me in every thing. Special love goes to my loving son 'Sairaj'.
