

ACKNOWLEDGEMENT

I deem it is a great pleasure and privilege to acknowledge my deep sense of gratitude to Dr. P.P. Hankare, Department of Chemistry, Shivaji University, Post Graduate Centre, Solapur for accepting me as his student for M.Phil. extending his guidance, invaluable suggestions and encouragement during the course of development and completion of the research work.

I wish to record my sincere thanks to Dr. D.S. Amberdekar, Prof. and Head, Chemistry Department, Shivaji University, Kolhapur for his help and constant encouragement during the progress of the work.

My sincere thanks are due to Dr. C.K. Bhaskare, Reader in inorganic chemistry, Dr. Kapadi U.R., Post-Graduate Centre, Solapur and also my respected teachers in the Department of Chemistry, Shivaji University, Kolhapur for their help and co-operation during the course of the work.

I also intend to express my gratitude to the U.G.C. for the award of 'Teacher Fellowship' which enabled me to complete the course of M.Phil.

I acknowledge with sincere thanks to Shri Rampure R.S. for his invaluable help during the completion of this work.

I would like to express my heartiest thanks to the Principal, Chairman, Secretary and Members of the Akalkot

Education Society, Akalkot for granting me the permission for this research work.

I have great pleasure to express my gratitude to my beloved parents and members of my family for their encouragement and co-operation without which I would not have been able to complete this course.

Lastly, I owe very much to my Husband for his constant encouragement and the help, during the course of the research period.

September, 1988.
