

## LIST OF PUBLICATIONS

- 1 "Chemical deposition and characterization of silver films".

A.B.Kulkarni, M.D.Uplane and C.D.Lokhande  
Ind.J.of Pure and Appl.Phys. (Submitted).

- 2 "Preparation of silver sulphide from chemically deposited silver films".

A.B.Kulkarni, M.D.Uplane and C.D.Lokhande  
Mat.Chem.and Phys. (Accepted)

- 3 "Characterization of silver selenide from chemically deposited silver films".

A.B.Kulkarni, M.D.Uplane and C.D.Lokhande.  
Thin Solid Films (Submitted).

### **Symposium/Seminars Attended and Presented Papers**

- 1 "Chemical deposition of silver films and their characterization".

A.B.Kulkarni and C.D.Lokhande.

Fifth National Convention of electrochemists, 6-8 April  
1994, University of Delhi, Delhi.

- 2 "A simple method for silver deposition on glass substrates".

A.B.Kulkarni, M.D.Uplane and C.D.Lokhande

5th Annual meeting of Materials Research Society of  
India, Hyderabad, 7-9 Feb 1994.

- 3 "A simple method of preparation of semiconducting  $\text{Ag}_2\text{S}$  from silver thin films".

A.B.Kulkarni, M.D.Uplane and C.D.Lokhande.

5th International Symposium on advances in electrochem. Science and Tech. 24-26 Nov 1994, Madras.

#### **Seminars Attended**

- 1 One Day Seminar on X-rays and Neutron Diffraction, 5th May 1993, Shivaji University, Kolhapur.
- 2 One Day Seminar on Commercial Materials and Industrial Applications, 23rd July 1993, Shivaji University, Kolhapur.
- 3 Electronic Materials Workshop cum Conference, 1-3rd Oct 1993, Shivaji University, Kolhapur.
- 4 Thirteenth National Symposium on Cryogenics, 3-5th Dec 1993, Shivaji University, Kolhapur.
