

List of Papers Published/Presented

1. Analysis of Surface Wave at a Nonlinear Interface between two Dielectric Media, Indian J. of Pure and Applied Physics, New Delhi. (Under Revision).
2. A Theoretical Study of Nonlinear Propagation of TE and TM Waves in Dielectric Thin Films, National Conference on Developments In Electronic Materials and Their Applications, (NCDEMA), Department of Physics, Shivaji University, Kolhapur. (6-8March 1995).
3. A Theoretical Study of Critical Power of Surface Wave at a Nonlinear Interface, XXII National Symposium on Optical and Opto-Electronic Instrumentation, CSIO, Sector-30, Chandigarh. (29-31 March 1995).
