

: ACKNOWLEDGEMENT :

I express my deep and profound sense of gratitude to Dr.A.S.Vaingankar for his invaluable guidance, constant encouragement and keen interest throughout the course of this work. I am also grateful to Professor R.N.Patil, Head of the Physics Department, Shivaji University, for introducing me in this field.

I will fail in my duties if I do not acknowledge the help and encouragement I received from the ferrite group of this department. I am thankful to all the workers of the group for their cooperation.

I must also express my thanks to Dr.B.K.Basu of T.I.F.R. for providing me the facility of X-ray diffractometry.

I appreciate the assistance of Shri A.K.Mane for the tracing work and Shri P.D.Kamble for xeroxing.

Lastly, I would like to express my thanks to the University authorities for providing me the facilities of the work and to Shri A.G.Gosavi for neat and accurate typing.
