

ACKNOWLEDGEMENT

I acknowledge my sincere gratitude to Dr.N.N.Maldar, Professor and Head, Department of Chemistry, Shivaji University, Centre for Post-Graduate Studies, Solapur for his able, inspiring guidance and constant encouragement during the course of this investigation.

It is a pleasure to acknowledge timely help of Dr.S.V.Lonikar for his suggestions on the manuscript. I am thankful to Dr.(s) P.P.Hankare, U.R.Kapadi and laboratory staff for their assistance.

I am also thankful to Mr. P.H.Basutkar, all other friends and colleagues for their cooperation.

I wish to acknowledge valuable advice of Prof. R.B.Mane and Dr.V.S.Kulkarni, Shivaji University, Kolhapur.

I am deeply indebted to my beloved uncle, his family members and my Parents for providing the full support and inspiration during the work.
