

LIST OF PUBLICATIONS

- 1) Studies on Spray Pyrolysed Molybdenum trioxide thin films, P.S.Patil and R.S.Patil, Bull. of Matr. Sci. 1995 (In press).
- 2) Electrochromism in Molybdenum trioxide films prepared by Spray Pyrolysis Technique, P.S.Patil and R.S.Patil, Solid State Ionics, 1995, (In Press).
- 3) Substrate Temperature Dependent Electrical and Optical Properties of Sprayed MoO₃ films, P.S.Patil and R.S.Patil, Tr. J. Phys. 1995 (submitted).

SYMPOSIUM/SEMINARS ATTENDED AND PRESENTED PAPERS

- 4) Studies on Electrochromism in Spray Pyrolysed MoO₃ Thin Films, P.S.Patil, L.D.Kadam and R.S.Patil, National Conference On Development in Electronic Materials and their Applications, 6-8 March 1995 at the Department of Physics, Shivaji University, Kolhapur.
- 5) Electrochromism in Cobalt Oxide Thin Films Prepared by Spray Pyrolysis Method, P.S.Patil, L.D.Kadam and R.S.Patil, National Conference On Development in Electronic Materials and their Applications, 6-8 March 1995 at the Department of Physics, Shivaji University, Kolhapur.

SYMPOSIUM/SEMINARS : ACCEPTED PAPERS

- 6) Effect of Substrate Temperature on the Properties of Spray Pyrolysed MoO_3 Films, P.S.Patil and R.S.Patil, National Seminar on New Trends in Electrochemical Sci., Karaikudi (TN), 23 Dec.1994.
- 7) Electrical and Optical Properties of Spray Deposited MoO_3 Films P.S.Patil and R.S.Patil, National Conference on Thin Film Processing and Applications, Tirupati, Jan. 23-24, 1995.
- 8) An Investigation on MoSe_2 Films Prepared by Spray Pyrolysis Technique, P.S.Patil and R.S.Patil, National Seminar on Engg. Trends in Thin Film Tech. and Device Fabrication, Cochin Univ. Cochi.
