

## LIST OF PUBLICATIONS

### A. JOURNAL PUBLICATIONS

1. A study of chemically grown SnS thin film layers

**B. T. Raut**, V. B. Patil, P. D. More, V. S. Karande and L. P.

Deshmukh, Ind. J. Pure & Appl. Phys. (Commun).

### B. PAPERS PUBLISHED IN THE PROCEEDINGS

1. A study of chemically grown SnS thin film layers

**B.T.Raut**, D. S. Sutrave, V. B. Patil, P. D. More, G. S. Shahane and

L. P. Deshmukh, Proc, National Seminar on Recent Trends in Materials Science, S.V.University, Tirupati (A.P.), 25-27 Nov. 1999

2. Studies on Sb-doped (Cd, Zn) Se thin films

D. S. Sutrave, **B.T.Raut**, G. S. Shahane, L. P. Deshmukh and B. D.

Sarwade, Proc, National Seminar on Recent Trends in Materials Science, S.V.University, Tirupati (A.P.), 25-27 Nov. 1999

3. Tin Sulphide Thin Films : Growth from the solution and characteristics

**B.T.Raut**, V.B.Patil, D. S. Sutrave, G. S. Shahane and L. P.

Deshmukh, Symposium on Fundamentals of crystal Growth, Crystal Growth Center, Anna University, Chennai, 6-7 Nov. 2000

4. Photoelectrochemical (PEC) studies of chemically deposited SnS thin films.

**B. T. Raut**, V. B. Patil, E. U. Masumdar and L. P. Deshmukh,

National Conference On Materials And Semiconductor Technologies in Elect. Research, G. B. Pantnager University of Agriculture and Technology, Pantnagar, India 9-10 Nov. 2000

5. Synthesis and characterization of chemically grown SnS thin films

**B.T.Raut**, V.B.Patil, G. S. Shahane and L.P.Deshmukh, XI<sup>th</sup>

International Workshop on Physics of Semiconductor Devices, I.I.T.,

Delhi, 14-18 Dec. 2001 (Commun) .
