

ACKNOWLEDGEMENT

The present investigation would not have been possible without constant encouragement and inspiring guidance provided by my research guide, Dr. A.M. Chavan, Reader, Department of Chemistry, Shivaji University, Kolhapur. To him, I offer my deep gratitude and sincere thanks.

I am also thankful particularly to Dr. M.H. Jagdale, former Professor and Head, Department of Chemistry, Shivaji University, Kolhapur, for making me available the laboratory facilities.

I am highly obliged to Dr. K.B. Powar, Vice-Chancellor, Shivaji University, Kolhapur, for encouragement, guidance and provision of all the facilities without which the completion of the present investigation would not have been possible.

I wish to express my deep sense of gratitude to Dr. D.S. Ambardekar, Professor and Head, Department of Chemistry, Drs. S.K. Haibatti, S.N. Desmukh, V.S. Kulkarni and M.D. Bhand for their encouragement and hearty co-operation.

I express my sincere thanks to Dr. R.N. Patil, Professor and Head, Department of Physics, Shivaji University, Kolhapur, Prof. A.M. Patwardhan, Head, and Shri D.B. Panaskar of the Department of Geology, University of Poona, Pune, Prof. B.K. Basu, Shri R.N. Dixit and Shri S.Y. Shete, Solid

State Physics Department, TIFR, Bombay for making me available the instrumental facilities.

I am thankful to the members of teaching and non-teaching staff of the Department of Chemistry, Shivaji University, Kolhapur, for their kind co-operation.

I am deeply grateful to my father, family members and friends for their love and constant encouragement throughout my career.

Kolhapur

May 25th, 1988.

S.R. Bembalkar

(Miss) (S.R. Bembalkar)
