

ACKNOWLEDGEMENT.

I have pleasure in submitting the Project through Chhatrapati Shahu Central Institute of Business Education and Research, Kolhapur.

I would like to put on record my gratitude to Prof. A. D. Shinde, Director of this Institute for his inspiration and encouragement in completing this work.

In the preparation of the Project, I have been most fortunate in having the assistance of my guide Prof. Dr. A. D. Madgulkar, who has read the individual chapters and given me the benefit of his expert advice and suggestions by making a critical scrutiny of the Project.

I owe gratitude to so many people for help of all kinds that it would be impossible to name them all : a few must do duty for the rest.

I must thank Civil Surgeon Dr. Shendarkar and Metron Mrs. Mahadik for permitting me to conduct this research project and giving me desired information respectively : Prof. D. U. Powar Dean of Social Sciences, Shivaji University : Prof. Malati Anagol, Bombay University for constant help : The Library Staff Members of the Tata Institute for Social Sciences, Bombay, for giving me so freely of their time and their courtesy in going through valuable references : all the

trained nurses for offering me co-operation in data collection :
the members of the faculty and Department of Social Work, who
directly and indirectly assisted me.
