Proper guidance is necessary to carry on the research, without which the researcher cannot complete his research work using scientific method. So, I am very much grateful to Dr. M.N. Ravindranatha for his valuable and inspiring guidance in completing my research work.

I am also indebted to Dr. M.R. Deshmukh, Development Officer, Nagpur University, Nagpur, for his proper guidance and Shri Dr. Rao, Principal of Shahu Institute, Kolhapur, for permitting me to study this topic.

My sincere thanks to Mr. S. Chaudhari, Labour Officer, Vidarbha Mills Berar, Achalpur, and to Mr. Banerji, General Manager of Vidarbha Mills Berar, Achalpur, who have provided proper information and historical background of the mill and the list of respondents, and co-operated every time.

Without respondents, the researcher could not complete his research work, because respondents are the main source of data collection. So, I am very much thankful to the respondents, who had spared their important time for interview.

I am also very much grateful to Librarian for providing me with the required books as and when needed.
