8. Write the medium of school- 1. English 2. Marathi

Impact of Warana Wired Village Project Questions :

1. Do you have idea about the field where Warana Wired Village Project is in existence?
i) Yes ii) No
2. If yes then which is the field among the following-
i) Radio ii) Television iii) Computer
3. What kind of information do you get from this project?
i) Agricultural ii) Milky Cattle iii) Educational
iv) Health v) About Factories vi) All
4. What agricultural information do you get?
i) Quality of the land ii) Quantity of fertilisers
iii) Information of fertiliser iv) Insecticides
v) Agricultural modern technology vi) All
5. Do you utilise the information you get from the project to develop you field? i) Minimum ii) Maximum iii) Nil
6. If you are utilising it do you find any difference between the agricultural expenditure before and after using it?
i) Yes ii) No
7. If yes, what type of difference do you find?
i) Increase in the expenditure
ii) Expenditure remained the same but increase in the production
iii) No particular difference found
8. Please note down if you have different experiences about the project.
9. How many acres field you have? (write in number)
10. What type of crops are produced?
11. Was there increase in the frequency of production of crops after using the project? 1. Yes 2. No
12. Before using the project how many time harvesting was done during the year? 1. Once 2. Twice 3. Thrice

13. The frequency of harvesting increased after using the information?
1. Yes 2.No
14. After using the project how many time harvesting is done during the year?
1. Once 2. Twice 3. Thrice
15. Did you make any difference in the quality of year field after getting the information about the project? 1. Yes 2. No
16. If yes, in what was the nature?
1. Use of insecticides 2. Use of fertilisers
3. Use of modern technologies 4. All above
17. Was there any difference in the production after using the project?
1. Yes 2.No
18. Is there any difference in the production before and after using the project?
1. Yes 2. No
19. Income of Agriculture before the implementation of the project?
1. 1996 : 2. 1997 :
20. Income of Agriculture after the implementation of the project?
1. 1998 : 2. 1999 :

Information about cattle:

1. How many milking cattles are there in your home?
1. Once 2. Two 3. Three 4. More than three
2. Type of the cattle.
1. Cow 2. Buffalo 3. Goats
3. Does the project provide you information about milky cattle?
1. Yes 2. No
4. Do you acquire information from the project?
1. Yes 2. No
5. What information do you get about the milky cattle from the project?
1. About Nutritious food 2. Its quantity
3. Precaution of diseases 4. Any Other 5. All above

6. Do you use the above information for your cattle?

1. Yes 2. No

7. If yes, do you find any effect of it on them?

1. Yes 2. No

8. If yes, what kind of effect is seen?

1. Cattle became healthy 2. Increase in the quality of milk
3. Increase in the quantity of milk 4. No particular effect was seen.

9. Please note down if you have any other experiences?

10. Do you find any differences in the income of your family after acquiring information from this project?

1. Yes 2. No

11. Income of your family before the use of the project in the year-

- | | |
|------|------|
| 1996 | 1997 |
| 1998 | 1999 |

12. Income of your family after the use of the project in the year-

- | | |
|------|------|
| 1998 | 1999 |
| 2000 | 2001 |

13. If any other information please note down here.

Education Information

1. Do you get educational information from the project?

1. Yes 2. No

2. If yes, what type of information do you get?

1. Results of 10th and 12th stds. 2. Results of competitive examination.
3. Information of competitive examination.
4. Information of various courses.
5. If any after information note down here.

3. Do you benefit your family members from this information?

1. Yes 2. No

4. Does your family members themselves benefit them from this information?

1. Yes 2. No

5. In what way you can use the knowledge you get from the information?
1. Increase in the modern knowledge.
 2. Due to quick information of the results and the courses money and time is saved.
 3. If any other benefits note down here.
6. Does the project provide information about job opportunities?
1. Yes
 2. No
 3. No idea
7. If yes, what type of information is provided?
1. Advertisements of Jobs
 2. Other information
8. Before the project from which source did you get the information?
1. Television
 2. Radio
 3. Newspapers
9. What benefits do you get from the information?
10. Does the project provides information about health services?
1. Yes
 2. No
 3. No idea
11. If yes, what kind of information is provided?
1. Information of the hospitals in your region
 2. Information of the specialists
 3. Timing and days of their availability in the hospitals
 4. All above
 5. If any other information note down here.
12. Do you use this information for your health?
1. Yes
 2. No
