

ACKNOWLEDGEMENT:

The importance of socio-economic survey is widely known when India is rapidly progressing towards industrialization, through planning. An attempt has been made in this study to touch upon social and economic conditions of the powerloom weavers at Peth Vadgaon.

I am deeply indebted to the owners of the powerloom factories for allowing me to collect relevant data from the workers for this study.

The workers socio-economic conditions of the powerloom factories at Peth Vadgaon was the subject of this study. These workers here kind enough to give me full co-operation in completing the interview schedule and on this base only the present study has emerged. Therefore my debt is greatest to these workers.

Dr. R.B.Patil, my guide deserves special mention, for having preserved with me, inspite of all my fallacies. A friend philosopher and guide. Yes, that's how I would address my research guide, for his ever patient kind and timely assistance and guidance rendered to me in completing this project report.

Dr.S.N.Pawar, Head, Department of Sociology gave me constant encouragement. I express my thanks towards him.

The data processing for the present study was done at the Electronic Data Processing Unit, Tata Institute of Social Sciences Bombay. I am thankful to Prof. J.C.Sharma and Mr. P.A.Salavi of the E.D.P. Unit.

I also thank Prin. R.D. Patil, Prof. S.K.Deshpande, Prof. R.G. Bhatt, Prof. P.K.Bagle, Prof. S.M. Bahiwale, Dr. Ambekar who have encouraged me through different stages of the present study.

My thanks are also due to Mr. H.M. Jagatap for the maps.
