

ACKNOWLEDGEMENT

While presenting the dissertation, I am very much happy to acknowledge my teacher Dr. D. T. Shirke, whose inspiring guidance, constant encouragement, unfailing patience and kind cooperation at every stage enable me to complete the proposed work.

I am grateful to Dr. R. N. Rattihalli, Head, Department of Statistics, Shivaji University, Kolhapur, for providing me the necessary facilities and valuable suggestions.

My gratitudes are also towards Dr. S. R. Kulkarni, Dr. (Mrs.) H. V. Kulkarni and Mr. P. Y. Patil for their guidance and cooperation.

I am thankful to all my friends in the department for their unforgettable company during the course.

I am indebted to my parents for their encouragement and patience throughout my study.

Department of Statistics
