

ACKNOWLEDGEMENT

I take this opportunity to place on record my deep sense of gratitude and indebtedness to Dr.U.R.Kapadi, Lecturer in Chemistry, Shivaji University, Centre for P.G.Studies, Solapur, for his inspiring guidance keen interest and constant encouragement throughout the work.

I am indeed thankful to Prof.N.N.Maldar Head, Department of Chemistry, Centre for P.G.Studies, Solapur for giving me all the possible facilities to carry out my research work.

My sincere thanks are due to Dr.S.V.Lonikar and Dr.R.V.Anyapanawar for their help during the course of study.

I would like to express my heartiest thanks to the Principal S.V.Khanapure and Dr.V.B.Abhyankar, Sangameshwar College Solapur for their encouragement.

Also I am very much thankful to Ajit N. Phadkule for his valuable help during the course of study and Shailesh B. Thigale, New Age Computers, Solapur for providing the facilities for the printing of the dissertation.

L. M. Kashid
