

ACKNOWLEDGEMENT

While presenting the dissertation, I am very much happy to acknowledge my teacher Dr. D. T. Shirke, Professor and Head, Department of Statistics, Shivaji University, Kolhapur, whose inspiring guidance, constant encouragement, unflinching patience and kind cooperation at every stage enable me to complete the proposed work. I am grateful to him for providing me the necessary facilities.

My gratitudes are also towards Dr. R. N. Rattihalli, Dr. S. R. Kulkarni, Dr.(Mrs.) H. V. Kulkarni , Dr. A. A. Kalagonda, Dr. R. R. Kumbhar for their guidance and cooperation.

My thanks are also due to the University Grants Commission, New Delhi, and Western Regional Office, Pune for granting me a Teacher Fellowship under the Faculty Improvement Program (FIP), to complete the M. Phil. degree course.

I also thank the authorities of Shikshan Prasarak Sanstha and the Principal Dr. A. V. Babar, P. V. P. Mahavidyalaya, Kavathe Mahankal, Dist- Sangli; for having granted me a leave for a period of one year and for the kind co-operation during the study.

I am thankful to my friends S. B. Mahadik, C. S. Kakade, V. B. Ghute, A. N. Basugade, R. M. Mirajkar, Miss. A. T. Kamble for their unforgettable company during the course. I would like to thank S. B. Sutar, Seema Kumbhar, D. D. Dinde and A. B. Taral a non - teaching staff of the department for their help.

I am indebted to my wife Sunanda, sons Onkar and Akshay and parents for their encouragement and patience throughout my study.
